

Original Grand Howl

At the 1st World Scout Jamboree, 500 Wolf Cubs perform a Grand Howl in the arena at Olympia, London.

Scouter: *"Pack - Pack - Pack!"* This calls the Cubs into a Parade Circle.

The Cubs reply as they run to their places in the circle.

Cubs: *"Pack!"*

As the Scouter enters the circle, the Cubs squat down on their heels with their "fore paws" on the ground between their feet and their knees out on either side.

Cubs: *"Ah-kay-la! We-e-e-ll do-o-o-o o-o-o-u-u-r BEST!"* On the word "BEST", the Cubs jump to their feet with two fingers of each hand at the sides of their heads, to resemble a wolf's ears.

A Sixer: *"Dyb - dyb - dyb -dyb"* The word "dyb" means "Do Your Best"

circle around leader DYB DYB DOB which is the first part of the Cub Promise and was the original Wolf Cub motto. On the fourth "dyb", the Cubs lower their left hands and the fingers of their right hands extend to form the Wolf Cub salute.

Cubs: *"We-e-e-ll dob-dob-dob-dob"*, meaning "We'll do our best".
